EXTERIOR ACRYLIC A750

EARLY RAIN RESISTANT
ACRYLIC SEALANT

BOSTIK A750 EXTERIOR CAULK is a high quality acrylic caulk which is rain resistant after application. After application the product cures to a plastic-elastic rubber due to the evaporation of the water from the sealant.

- Rain resistant after application
- Interior and exterior applications
- Easy toolable
- Excellent adhesion
- Flexible
- Paintable with water based and synthetic paints
- Non corrosive towards metals
