FLEXIBLE KNEE PAD

CARE INSTRUCTIONS

No wash;No bleach;No tumbler;No iron;No dry clean

STORAGE INSTRUCTIONS

Store in a cool and dry place, protected from frost and sunlight. Do not place heavy loads on the knee protectors.

USAGE INSTRUCTIONS

The padded side faces the body. Pay attention to the left and right. The assignment can be seen on the label or on the knee protectors. L = left, R = right Fasten the knee protectors to the thigh and lower leg with straps so that the knee area is covered. The upper edge of the knee protectors should protrude 2 cm from the bent knee. Fasten the straps parallel, not crosswise. Make sure that the velcro straps are not too tight. Do not let the velcro straps go over the back of the knee. This could impair the blood supply.
